

**Design the future,
deliver value
and excitement to the world.**

MV INTER-FASHION

Message

MN Inter-Fashion Ltd. began as a new textile trading company on January 1, 2022 as a result of a merger of NIPPON STEEL TRADING CORPORATION' s textile business and Mitsui Bussan I-Fashion Ltd.

We have turned this integration into a strength, and as a group of professionals that boldly and flexibly accepts new challenges, we will create businesses globally in a wide range of business areas and deliver new value to the world.

Management Philosophy(PVV)

Purpose

**Design the future,
deliver value and excitement to the world.**

Vision

**Co-create tomorrow's fashion with
Diversity × Imagination × Collaboration.**

Values

Set No Limits

Take bold action.
Dare to go one step further.

Be Professional

Keep refining your skills.
Strive to achieve the highest professional standards.

Respect Others

Welcome diversity.
Earn people's trust.

Be Positive

Do not fear failure. Be afraid not to try.

Our Business

Based on the concept, positioning, and targeting, we are enhancing our total solution functions that provide one-stop service to meet a wide range of client needs including brand development, product planning and purchasing, investment in production equipment, logistics design, and global market deployment. We source the most suitable materials and utilize our production sites centered in Asia to supply high-quality fashion and textile products.

<h3>OEM/ODM Business</h3> <p>We offer, manufacture, and sell a variety of products that our clients demand in the categories of men's and women's fashion apparel, sports and outdoor clothing, functional clothing, home linens such as bedding and interior items, accessories, and undergarments.</p>	<h3>Functional Textiles & Materials Business</h3> <p>We utilize a wide-ranging network in Japan and overseas to deliver high-performance textiles and high-performance materials to the market.</p>
<h3>Brand Business</h3> <p>We offer a variety of products that enrich everyday life through the licensed, imported, and original brands we represent.</p>	<h3>Digital Business</h3> <p>As a program for DX in textile products, we are digitalizing woven fabrics, knitted fabrics, pattern data, and other data, and are producing 3D samples using high-definition 3D computer graphics (3DCG) technologies in order to improve work efficiency and carry out eco-friendly and sustainable production.</p>
